MCAP State Test Scheduled for Weeks of May 11th (ELA) and May 18th (Math)

State MCAP is scheduled to begin in May. The week of May 11th is the reading assessment, and the week of May 18th is the math assessment. Testing in grades 3 - 8 will take about 60 - 90 minutes each morning. The test includes open-ended written responses as well as multiple-choice questions. The multiple-choice questions ask students to select the best answer and then the next question asks them to select how or why they know their answer to the previous question is correct. Our students are as ready as any student in Maryland. Parents can help by making sure students are relaxed, rested and have a good breakfast on test days. Being present and taking the test on scheduled days with their class ensures that students do not have to make up the test and miss class later in May. Please email your questions to our testing coordinator Jen Shaffer at jshaffer@hha47.org. Remember that breakfast is free to all students starting at 7:40 am in our cafeteria. On test days, students MUST be on time for the start of school by 8 am and present every day to do their best.

HHA Celebrates the Success of the PTO B3 Event

This month we are highlighting the very successful B3 Event – Mission B3. See the story on page 6.

HHA Mission Statement

Hampstead Hill Academy is a neighborhood public charter school that exists to educate children living in both our attendance area and throughout Baltimore City. Our talented staff uses research-based curriculum to develop and implement rigorous lesson plans that continuously raise the academic bar for our students. Our whole school community is dedicated to working together to challenge our students to succeed in a fair, consistent, just and joyful learning environment.

Quick Reminders

Absences: Notify the office by 8 am at 410.396.9146. Note: Missing 10% or more of school days may result in chronic absentee status.

How to Contact Your Child’s Teacher: You can contact via Class Dojo or check the list of staff email addresses at this [link](#).

Parent Calendar: Find parent/student activities. [Click here for detailed information.](#)

Parent Handbook: Have questions? [Click here to view the Parent Handbook.](#)

News From the Hill: Editor's Page

HHA Vision Statement

Hampstead Hill seeks to be a safe, nurturing, diverse, family-friendly neighborhood school with rigorous, effective academic programs and exciting, engaging extracurricular activities. We believe all parents want the same thing for their children: more and better opportunities for college and career. We believe in the importance of the arts, and we want our students to be great communicators, listeners and writers. Our students will be forward thinkers, persistent, responsible, caring, dependable and healthy members of the greater community.

MATT HORNBECK
Principal

Message from Principal Hornbeck

What a great year to be at HHA! Life is humming along. We've truly enjoyed the Newstead Gym. From PE everyday with Coach Edwards to the Some Special and Me dance last Friday to the incredible success of B3 this year, our new space has made a huge difference. The generosity of our community was truly shining at this year's B3 (Bingo, Bidding & Bites) event, where Jodi Naaz, Katie Stewart, and their phenomenal team outdid themselves once again, raising nearly \$50,000 in one incredible starry night! The space theme was a hit with lots of astronauts and many planets represented. The food, from a couple dozen local restaurants, was delicious and plentiful, and the good vibes made it the place to be. When we combine this success with our fall BeeFit event, the HHA PTO has raised more than \$80,000 this year. This money helps to fund our incoming playground, common school supplies for every student for the whole year, field trips, the staff wellness committee, the winter classroom wish list fulfillment and many other things. Thank you for taking this journey with us!

Principal Hornbeck getting ready to blast off in his astronaut uniform the day before B3

Hampstead Hill Academy
FANTA KAMARA
Assistant Principal, Grades 2-4

Message from Assistant Principal Kamara

April was filled with energy and strong community moments across HHA! One of the biggest highlights was this year's B3 event. With a space/NASA theme, the night was full of fun, creativity and school spirit including a pink space suit photo op. Even more impressive, this year's event raised the highest amount in B3 history. A true reflection of the strength of our HHA community. Huge thanks to our PTO, teachers, staff and all who made it possible. We also hosted the Spring Concert on Thursday, April 23rd, which showcased our students' talents and the joy that the arts bring to our school community. That same evening, I had the opportunity to attend the "Bored Teachers" comedy show alongside colleagues. It was a fun and refreshing way to connect, laugh and build community. Thank you to Mr. Plunk, Ms. Vincent, and the PTO for continuing to support staff wellness.

Ms. Kamara had a fun time mingling with staff, families and friends at B3

Looking ahead, we're excited for BCP's "Are You Smarter Than a 5th Grader?", and I am especially excited for the opening of our spring production of "Matilda". Our students and staff have put in tremendous effort, and I can't wait to see it come to life on stage. Our students have also been able to enjoy meaningful experiences outside of the classroom this month. On Thursday, April 23rd, the third grade had a great time on their trip to the Maryland Zoo, and on Wednesday, April 15th, the fourth grade enjoyed a trip to Skate Zone for a day of roller skating. These opportunities allow students to build community, create lasting memories and apply their learning in new ways. Thank you to the teachers who planned these trips, and to the staff and chaperones who supported and attended. In honor of Teacher Appreciation Month, I want to recognize our incredible teachers and staff. We could not do this work without your commitment and grit. Thank you for showing up day in and day out and supporting our students in ways that truly matter. We are grateful for you! As always, feel free to reach out via Dojo or email at APKamara@hha47.org

IMPORTANT DATES

Date/Time	Event
Tuesday, May 5 th – 6 pm	PTO General Meeting
Wednesday, May 6 th – 8 am	Latino Parent Meeting
Thursday, May 7 th – 4–6:30 pm	Family Picnic in the Park
Friday, May 8 th , 22 nd , 29 th	Orange Friday
Friday, May 8 th – 3-6 pm	FFG Talent Show
Friday, May 15 th – 4:30-6:30 pm	LGP Middle School Dance
Tuesday, May 19 th – 7 pm	Middle School Info Session (Zoom)
Wednesday, May 20 th – 3 pm	School Family Council Meeting
Monday, May 25 th	Holiday – School Closed
Thursday, May 28 th 5:30-7 pm	Multicultural Festival
Friday, May 29 th	Kindergarten Storybook Day
Friday, May 29 th – 8 am	LGP Quarter 4 Ceremony

Attendance Data

98.06	Grade 8
97.50	PreK
96.89	Grade 2
96.38	Grade 7
96.37	Grade 6
96.31	Grade 4
96.29	Grade 5
95.75	Kindergarten
95.67	Grade 1
94.54	Grade 3

Congratulations to the 8th grade for having the highest attendance for the month of April. The students will enjoy a pizza party as a reward! For the month of May, the total schoolwide attendance was 96.25%.

Special Note Regarding New Enrollment Effective Now

Due to severe overcrowding, siblings who live outside of the attendance zone will no longer be admitted. Rising kindergarten siblings of current HHA students who live outside of our attendance area and whose parents shared their intent to enroll by March 1, 2026, will be admitted. From March 2, 2026 on, all siblings of current HHA students who live outside of our attendance zone will no longer be admitted. Interested students who live outside of the attendance zone will be placed on a waiting list.

Current Students: All students who are enrolled at HHA as of now, will continue to be enrolled, regardless of their in-zone or out-of-zone residency status, for as long as they like through 8th grade.

Moving Families: If a family moves from inside the attendance zone to another part of Baltimore City, their currently enrolled children will remain at HHA. However, any new siblings who live outside the attendance zone will be placed on the waiting list. For questions or concerns, please contact the main office at 410.396.9146 or email Principal Hornbeck at principalhornbeck@hha47.org.

8th Grade Closing Ceremony

The 8th grade closing ceremony will take place on Friday, June 12, 2026, from 8:30 am to 10:30 am *sharp*. You will be able to enter the new auditorium at 8 am. Each student will receive FOUR tickets for family members. You must bring your ticket with you to the door! If you would like extra tickets, please contact Ms. Shultz in the office, and she will put your name on the waiting list. Tickets will be given to your child by Friday, June 7, 2026.

Chronic Absenteeism is Down, Keep Your Child Off That List

As the year comes to a close and students take the state assessment, please make sure to focus on attendance and being on-time. You should know your child's absence record for the year. If not, you can check their report card, Dojo message your child's homeroom teacher, look at Parent Portal, or stop in the main office. If your child is anywhere near 18 total absences, they will appear on the district's "chronically absent" list of students requiring intervention. Many families with children absent between 9 and 14 days have been the focus of our efforts to educate everyone on the definition of chronically absent which is missing 10% or more of the school year to date or 18 days or more days for the year. This initiative helps to improve our overall school attendance. Please get your child to school each and every day and bring a doctor's note when they are too sick to attend. A reminder that excused absences still count towards their chronic absenteeism rate.

Check Out the Job Openings at HHA

After careful consideration, offers have been made to two outstanding candidates, and they accepted! There are a handful of positions left to fill for next year so we are in great shape. HHA works to attract and keep the very best teachers. Principal Hornbeck always says he is more of a talent manager than a principal. Nothing is more important to student success than the teacher. Even in this tight job market, we received more than 60 resumes from talented teachers from City Schools as well as across Maryland and the nation interested in teaching at our school. There is a four-part process for job seekers that includes the following:

1. resume screen,
2. phone interview,
3. 1/2 day visit to HHA to tour our school, teach a sample lesson, and provide an on-the-spot writing sample, and
4. a reference check.

In addition to posting the job openings on our website, next cycle we will participate in regional teacher recruitment fairs. Recognition goes to HHA Academic Coaches Katie Johnson, Megan Trainer, and Matt Cobb for their leadership in selecting new faculty members. Job openings are posted on our website at www.hha47.org.

Safety First

We appreciate the effort it takes to do the right thing and park a couple of blocks from school and then walk using crosswalks to avoid unsafe traffic conditions. Do not stop your car in traffic and definitely do not get out of your car and leave it blocking traffic while you drop off or pick up your child. Please don't be that person.

2nd and 3rd Quarter Principal's List, Honor Roll and Leaders Go Places

Students in grades 1 – 4, who achieve the highest levels of performance, are recognized on the Principal's List and Honor Roll.

- Students in 1st grade must achieve a grade of P with a 1 or 2 in all subjects to be recognized on the Principal's List.
- In grades 2 - 4, the Principal's List distinction recognizes students who achieve 90% or higher in all core subjects, with a 1 or 2 in conduct.
- In grades 2 - 4, Honor Roll students are recognized for achieving 80% or higher in all core subjects, with a 1 or 2 in conduct.
- Students in grades 6 - 8 are recognized for their scholarship, leadership, and citizenship through the Leaders Go Places program. See a list of these notable students at the end of the news magazine.

MISSION COMPLETED

WE DID IT!

WE ARE THRILLED TO SHARE THAT THIS YEAR'S B3
RAISED OVER
\$47,000!

**WE WANT TO THANK EVERYONE
WHO HELPED MAKE THIS HAPPEN!**

Without the incredible support of our community through
generous donations, sponsorships, and volunteers,
we would not have been so successful.

YOU MADE THIS HAPPEN! THANK YOU!!

Hampstead Hill Academy News

Enjoy the Pictures from the B3 Event!

Record Fundraising Totals for a Record-sized Group Headed to Ecuador/Galapagos

This June, 40 members of the school community will head to Ecuador and the Galapagos Islands for an educational tour with EF Tours. As with past trips to Costa Rica and Peru, student travelers plan and execute fundraisers to help offset travel costs. This year's initiatives, which included pie sales, snack sales, trivia night, spirit week, donations, and a community yard sale, raised just over \$10,000. Below are some highlights from the fundraisers; Time Travel Tuesday, Trivia Night and a Yard Sale. We thank the school community for supporting these fundraising efforts this year!

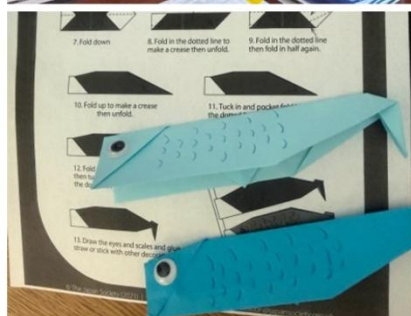

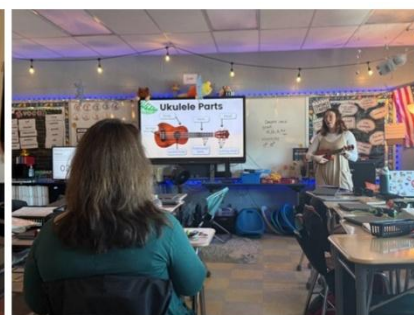

Trivia Night, Spirit Week and a yard sale, were all part of the Ecuador/Galapagos fundraising

HHA's Got Talent: Staff Edition

Did you know that we have 5-star talent in our classrooms? Are you aware that some of our staff members have hidden talents and pastimes outside of school? This year's Professional Learning Group series featured staff members sharing their knowledge and skills with other members of their grade teams. From whistling, fossil/crystal collections, playing a ukulele, cheering, juggling, drumming, calligraphy, origami, and pipe cleaner flowers, our staff really impressed! Take a look at some of their lessons below.

School Family Council Meeting

Please join Council Chairperson, Ms. Clary-Thomas and the school community on Wednesday, May 20th at 3 pm for the last School Family Council meeting of the school year. The special guest presenter will be Ms. Katie Nagib Environmental Educator and Outreach Coordinator at Friends of Patterson Park. Ms. Nagib will talk about programs and activities taking place in Patterson Park during the summer months. Mr. Hornbeck and HHA staff will also be in attendance. We encourage parent participation, as your input is extremely valuable and helps spread important information throughout the community. Childcare is available for this meeting. Look for an email with additional information to be sent.

Staff Wellness Committee Events in Review

The Wellness Committee concluded another successful year of programming, culminating with a trip to the Bored Teacher Comedy Show at Weinberg Center for the Arts in Frederick on April 23, 2026. We thank the PTO for supporting all of our Wellness Committee events this year, which also included several paint nights, caramel apple make and takes, Valentine boxes, succulent gardens, and more!

THANK YOU
Our PTO Rocks!

Baltimore Curriculum Project

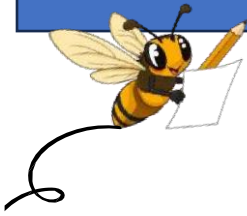

BALTIMORE
CURRICULUM
PROJECT

At Baltimore Curriculum Project, opportunities for students such as Peer Mediators, Leaders Go Places (LGP) and Sinai Health's Medical Detectives program, reflect our commitment to helping scholars grow not only academically but also as confident young leaders. In our April blog, we highlight student voices from across our three middle schools, including Cecilia ("CeCe") from Hampstead Hill Academy, who shares how LGP expanded her understanding of what it means to lead through responsibility, showing up on time, staying engaged in learning, and contributing positively to her school community while also taking accountability for her choices. To read more about CeCe's experience and to hear from Kayla at City Springs Elementary/Middle School and Richard at Pimlico Elementary/Middle School, visit the [BCP Blog](#) on our website to explore all three student reflections.

Classroom Chronicles

"Where Learning Comes to Life!"

PREK NEWS

Ms. Kaminaris
and Ms. Klenk

May will be a fun and busy month for PreK students. In the classroom, students are working on concepts such as more and less, composing and decomposing numbers, addition, and subtraction. They are also learning about animal habitats, including oceans, deserts, forests, and ponds. Students have also learned most letter sounds, and for the remainder of the year, they will continue

reviewing these sounds while also being introduced to digraphs such as th, sh, and ch. To celebrate the letter sounds learned this year, the class will participate in an ABC Countdown to Summer. A paper copy of the calendar will be sent home in student folders, and an electronic copy will be posted on Dojo. There is also a copy displayed on the PreK windows. Families are encouraged to check each day for the daily theme and consider joining in the alphabet fun. Students truly enjoy participating in the daily alphabet activities and are often disappointed when they miss out. This month also includes the final school bus field trip and the last visit to the Canton library. Students will visit the Baltimore Zoo on Friday, May 22nd. Please check your child's folder for a permission slip and additional information. As the end of the school year approaches, schedules tend to become very busy. Families are encouraged to continue checking their child's folder and Dojo regularly for important communication regarding end-of-year celebrations and activities.

Important Upcoming Dates:

- Ms. Kaminaris' class will walk to the Canton library on Thursday, May 7th, from 10 – 11 am.
- PreK closing will be held on Monday, June 15th.

In April, students had so much fun enjoying the sunny spring days during recess and picking up litter in the park on Earth Day! Students learned the importance of keeping Earth and our community clean by reducing, reusing, recycling, and conserving natural resources. As we approach the end of the school year, our expectations are focused on being "1st grade ready!" Following daily directions, showing responsibility and independence, making good choices, producing great work, being a kind friend and using positive words to resolve conflict continue to be our focus in school. Our work is ongoing each day, and student attendance is crucial to their grade-level success and smooth transition into 1st grade. Please continue to check green folders and Class Dojo for timely announcements.

Important Upcoming Dates:

- Friday, May 15th - field trip to Robinson Nature Center
- Friday, May 29th - Story Book Day
- Friday morning, June 5th - EOY picnic
- Monday morning, June 15th - Kindergarten closing program. More information will be provided soon.

KINDERGARTEN NEWS

Ms. Maciel, Ms. Wallis
and Ms. Alatzas

Classroom Chronicles

"Where Learning Comes to Life!"

1ST GRADE NEWS

Ms. Clary Thomas, Ms. Lunkin
and Ms. Karlin

Shortly, students will receive information about the field trip to the Washington D.C. Zoo on Tuesday, June 1st. Please make sure to have the payment and permission slip returned as soon as possible. As the school year comes to an end, you will receive information regarding upcoming activities for your child and exciting school

wide events. Keep an eye on Class Dojo to avoid missing anything. The air conditioner has been turned on in the building. If your child is cold, please make sure they have a navy-blue sweater or sweatshirt that can stay in their locker/cubby. As the weather warms up, students can be easily distracted. Remind your child to finish the year strong! With the combined effort of teachers and parents, the students will be ready for the next school year.

On Wednesday, May 27th, students will walk down to Fells Point for an adventure with the Urban Pirates. Each homeroom is walking at a different time so please check your student's permission slip or Class Dojo for your student's boat time. The air conditioner has been turned on in the building. If your child tends to be cold, please make sure your student has a navy-blue or HHA sweater or sweatshirt that can stay in their locker. As the weather warms and the school year winds down, it's natural for students to feel a bit distracted. With the continued support and teamwork of both teachers and families, they'll be well prepared for the year ahead. Let's work together to finish the year strong!

2ND GRADE NEWS

Ms. Bonner, Ms. Zoll
and Ms. Keating

3RD GRADE NEWS

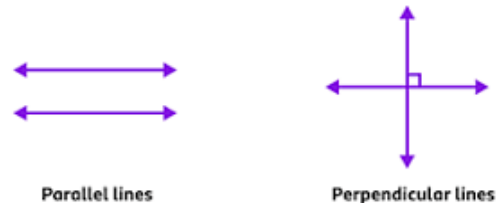

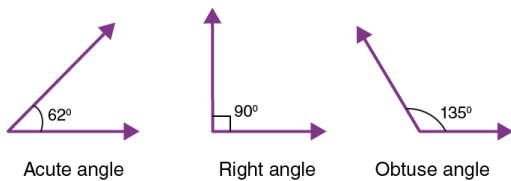

Ms. Knudsen, Mr. Bradbury
and Ms. Ahearn Jensen

Reading – Ms. Knudsen: Some groups have read books that have dealt with Greek Mythology. These stories have included *The Golden Touch* and *The Miraculous Pitcher*. Students have used their knowledge from these stories to create their own myths. They have worked to discover the elements of a non-fiction text, read non-fiction texts, and create a group project about the Golden Gate Bridge using non-fiction texts. Other groups have taken a tour of Alaska in a non-fiction story about sled dog races. Students learned about the environment of Alaska, the Iditarod race

and race expectations. Groups have looked at readings that have different points of view in order to justify their opinion.

Math – Mr. Bradbury: Students will focus on the upcoming MCAP assessment. They will have the opportunity to show what they have learned throughout the year in math and reading. To prepare for the math portion, students have been using warm-up questions at the beginning of each class period to revisit material previously covered this year. In addition to reviewing material, they are charging ahead with the geometry unit. Below you can see examples of angles and different types of lines they are expected to identify. Look for examples of these lines and angles in the world around us, and discuss them with your students.

Science – Ms. Ahearn Jensen - Students have been learning and exploring many exciting topics in science. They had the opportunity to observe the life cycle of a butterfly firsthand, enjoyed an educational trip to the Maryland Zoo and studied severe weather.

Reading – Ms. Salcedo-Jackson: The Mermaids will continue to focus on informational texts, practicing how to identify the main idea and supporting details. The Goldfish and Sharks will also be diving into informational texts while continuing to strengthen their understanding of text structures. Students will have the opportunity to demonstrate everything they have learned this year as they take the MCAP assessments. They have been practicing important reading and writing skills through classwork and homework, and are becoming confident and prepared.

4TH GRADE NEWS

Ms. Salcedo-Jackson,
Ms. Green and Ms. Shortman

Classroom Chronicles

"Where Learning Comes to Life!"

Students will also take a field trip to Fort McHenry. This will be a great opportunity to connect their learning to history and explore an important landmark. Thank you for your continued support as we move into this busy and exciting time of year!

Science - Ms. Green: Students are rounding out the year with ENERGY! They are using circuits to light lightbulbs, run motors, and create cars using both batteries and mini-solar panels. The labs will have a competitive element for the rest of the year, such as racing cars, saving eggs from drops of different heights and controlling collisions. The lab groups are very invested in their Golden Group competition. The Science Fair will be held Wednesday, May 27th at 8:15 am in the Newstead Gym. Student projects are due on Friday, May 22nd. Info about judging is coming soon, but if any family members know that they want to take part in judging the fair, they can reach out to Ms. Green at agreen@hha47.org to secure their spot.

Math – Ms. Shortman: The Mermaids will begin working on *Unit 9: Area and Perimeter*. This unit focuses on finding area and perimeter of rectangles, squares and composite figures. The Sharks and Goldfish are working on *Unit 6: Decimals*. All classes will complete a portfolio project at the end of the unit.

General Announcement: Students who earn a 75% or higher on Dojo will celebrate at the next incentive on Friday, May 8th. The incentive is Fun Friday in the park. Students will be able to enjoy ice pops while playing games with their friends. Be sure to check ClassDojo for photos from the event. Encourage your child to keep working toward those positive merits!

Quarter 1:
9/26: Popsicles at the Park
10/31: Fall Fest

Quarter 2:
12/5: Pajamas and Popcorn
1/16: Winter Cookie Decorating

Quarter 3:
2/13: Valentine's Dress Down Day / Auction
3/27: Donuts & Game Day

Quarter 4:
5/8: Fun Friday
6/5: Field Day

*Students must have a 70% positivity score in Dojo to earn incentives in Quarters 1 and 2. Students must have a 75% positivity score in Dojo to earn incentives in Quarters 3 and 4.

4th Grade Incentives

SY 25-26

5th GRADE NEWS

Ms. Pellegrini-Gaither,
Ms. O'Connor and Ms. Ruppenthal

Students will take the MCAP assessment this month in ELA. This assessment takes place on May 12 - 15. Your child is preparing and practicing in class for this important test. On testing days, please make sure your child is well-rested, has eaten a good breakfast and is on time for school. In addition to MCAP, the Owls are finishing *Unit 3, Changing Perspectives* and the Pandas and Robins are exploring a variety of informational texts about science, sports and history.

Math – Ms. O'Connor: After completing the unit on volume, students moved to finding the area of squares and rectangles with fractional and mixed-number side lengths. They also began a geometry unit, where they are exploring the properties of polygons and the coordinate plane. They are also continuing to build their fact fluency. Overall, students are producing strong work and building important skills in preparation for middle school next year.

Social Studies – Ms. Ruppenthal: Students will continue to learn social studies using the Social Studies Alive curriculum. They will learn about the American Revolution and then move into the Articles of Confederation and the creation of the U.S Constitution. This will lead to the rights and freedoms of people in the United States. Students will participate in reading, writing, and activities that engage students throughout the unit. They will also complete an action research project after a short science unit on the local environment program, Save the Bay. Students will create a poster and a video that raises awareness about an issue the Chesapeake Bay is currently facing.

English Language Arts – Mr. Farber: Students completed a short writing assignment where they imagined that there was a chapter in *Bronx Masquerade* about themselves. They wrote a brief narrative and expressive poem in the style of the novel. Please ask your student to show you their project, as they were excellent! Students recently began reading *Bud, Not Buddy* by Christopher Paul Curtis, and are talking about "rules to live by." And, of course, students are gearing up for the MCAP English test, which will be from May 12 - 15. In social studies class, students are finishing the unit on Ancient Greece. They will soon be moving on to the final unit about the ancient civilization, Rome.

6th GRADE NEWS

Mr. Farber, Ms. Bentil
and Ms. Poole

Math – Ms. Bentil: Students will complete the Statistics unit by graphing data and calculating measures of center and variability. They will then pose a statistical question to investigate and answer using graphs and numerical summaries. They will also review previous units in preparation for the Math MCAP Test on May 19th and 20th. Please encourage your students to work on their 6th Grade IXL Skill Plans at home to review for the test. Also, encourage them to refer to the online notes to help with reviewing for tests and quizzes. The notes are found on Google Classroom under "links."

Classroom Chronicles

"Where Learning Comes to Life!"

Science – Ms. Poole: Scientists have started their final unit of the year called, "How does water shape our world?" In this unit, students will explore the rock cycle, as well as the processes of weathering, erosion and deposition, with the goal of being able to explain how those processes affect the shape of the land. Students will also investigate and become experts on a National Park and will explain how weathering, erosion, and deposition shape their park. These processes occur around us in the natural world. Next time you take a walk or go on a hike, look and identify signs of weathering, erosion and deposition. Extra credit for any 6th grade student who emails Ms. Poole a picture of weathering, erosion or deposition! *Photographs must be from your own walk or hike and can be emailed to kpoole@hha47.org.

6th Grade Students Get an Outward Bound Introduction

On Thursday, April 9th, over 100 6th grade students participated in a one-day team-building and leadership development ropes course at the Chesapeake Bay Outward Bound campus. The course provided a great introduction to Outward Bound programming for the 6th grade students, many of whom will participate in the 5-day hiking or canoeing expedition next year.

Seventh grade math genius Brian White is famous for eating soup out of a can. Here some of his most devoted followers share in his simple approach to lunch.

English Language Arts – Ms. Fetterolf: Students will spend the month of May preparing for and taking the MCAP which is a major component of students' composite

scores for high school choice. They will work on comparative writing, poetry, short stories, informational texts and writing skills to get ready for the exam. After the exam, students will complete projects to learn about countries in South and Central America and to practice their presentation and research skills.

Math – Mr. White: Students are finishing the final unit of the school year, *Statistics and Probability*. Throughout this unit, students are exploring outcomes, compound events and the differences between theoretical and experimental probability. They are also learning about sampling techniques, measures of center (mean, median, and mode), box plots and mean absolute deviation. The 7th grade Math MCAP assessment will take place on Tuesday, May 19th and Wednesday, May 20th. Please encourage your child to stay focused, review key concepts and come to school well-rested and on time.

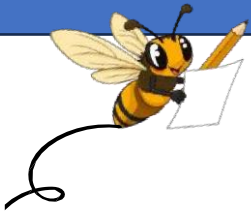

Science – Mr. Lohrman: Students are learning how and why the weather changes. They will learn that the climate of a location on Earth is affected by the amount of sunlight it receives. They will also learn about natural disasters such as tornadoes and hurricanes. Students will complete a study called Hurricane Hampstead, where they will analyze data on the number and severity of hurricanes each decade since the 1920s and examine how they have changed over time.

7th GRADE NEWS
Ms. Fetterolf, Mr. White
and Mr. Lohrman

Classroom Chronicles

"Where Learning Comes to Life!"

English Language Arts – Ms. Kosmer: Students are finishing the study of *To Kill a Mockingbird*. Throughout the unit, students have engaged deeply with the text by completing text-dependent questions (TDQs) and analyzing charts to strengthen their understanding of key themes and ideas. To conclude the novel, they will collaborate in small groups to create a characterization body chart, focusing on one character and exploring their development in depth.

8th GRADE NEWS
Ms. Kosmer, Mr. Pratta
and Mr. Ball

Math – Mr. Pratta: Students will work to prepare for their final exams. Every day, they will look back at what they learned earlier in the year and complete practice tests. This daily routine helps students remember important lessons and feel much more confident when test day arrives.

History – Mr. Ball: Students are working to prepare for the MCAP in May. They are practicing and reviewing the foundational skills that students will need to be successful on the assessment. They have also been examining the Era of Reform of the mid-1800s and analyzing how successful these reforms were in improving the lives of Americans. Next, students will analyze the causes of the Civil War to determine which actions brought the nation closer and which actions pulled the country further apart. Students will then analyze the Civil War to determine what factors and events influenced the outcome of the Civil War. Finally, students will end the year by learning about Reconstruction and its impact on American society.

Leaders Go Places

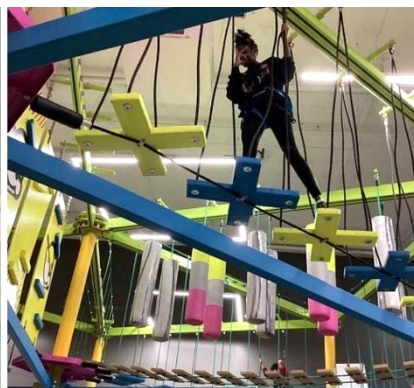

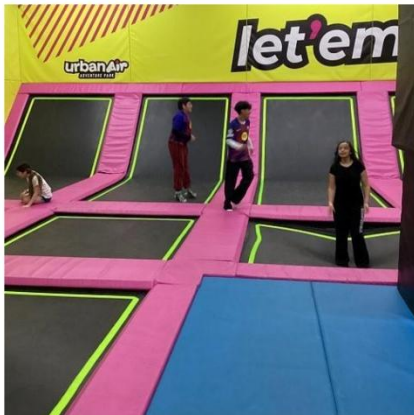

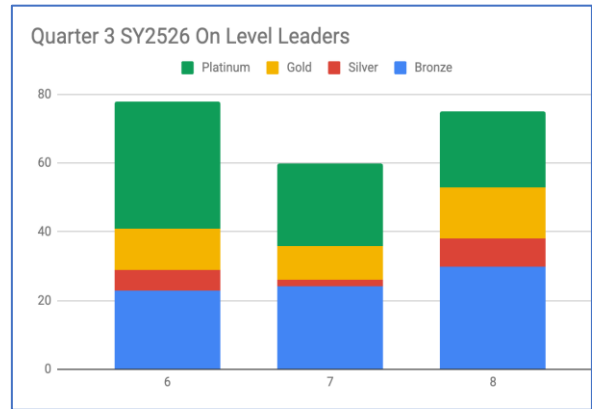

Leaders Go Places is a rigorous middle grades leadership program that motivates students to achieve excellence in scholarship, leadership, and citizenship. Students earn rewards and recognition for reaching the benchmarks shown in the chart. In the 3rd quarter, 75% of middle school students made level, including 39% reaching the highest level - Platinum. To celebrate these accomplishments, students who achieved a Leadership Level earned a field trip. For the 3rd quarter, students spent the day at Urban Air in Glen Burnie, MD. Rewards are always more fun when they are earned and over 210 students celebrated their accomplishments last month.

Students who are on-level in the 4th quarter will be invited to attend Guppy Gulch Water Park in Pennsylvania on Monday, June 1st. The 4th quarter LGP deadline is Friday, May 22nd.

LEADERS GO PLACES

Level	Scholarship	Citizenship	Leadership
Platinum	3.9	6 hours	95%
Gold	3.6	5 hours	90%
Silver	3.3	4 hours	85%
Bronze	3.0	2 hours	80%

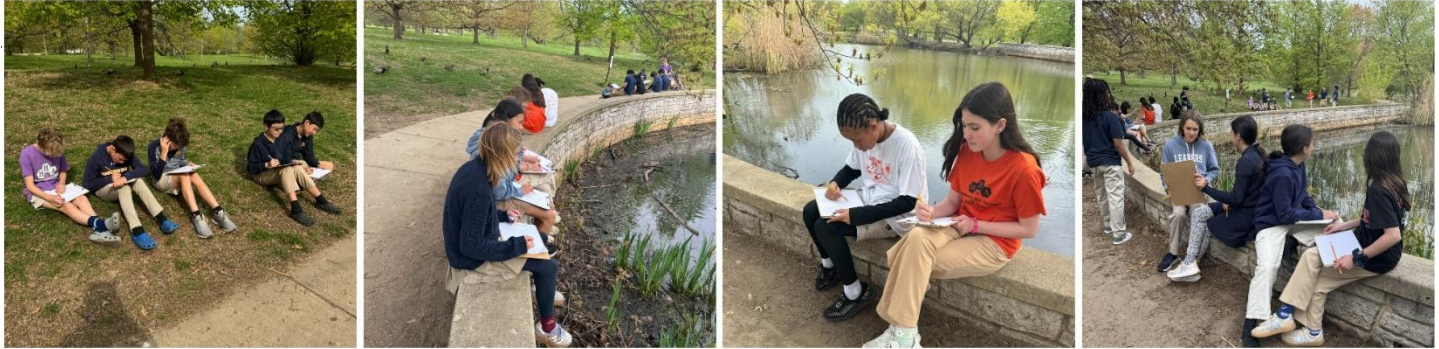

Student who made LGP level for the 3rd Quarter had a great time at Urban Air

Explore, Excel, Engage Enrichment

ART Ms. Butcher

Building on the success of the recent art show, students are now having a great time drawing landscapes of Patterson Park. They are using the park for inspiration, practicing their skills by sketching the trees, the lake, and the scenery. It is wonderful to see them taking their creativity outside and capturing the beauty of the neighborhood in their new artwork.

May has arrived, but that hasn't stopped our HHA students from working creatively. Students have fully embraced their creativity, handcrafting unique props ranging from funnels to surfboards to bring their scenes to life as shown in the picture. As the weather warms up, their ingenuity only seems to grow, with each new project displaying a fresh and impressive level of imagination. It has been a source of great pride to witness the amazing ideas they continue to bring to the stage.

DRAMA Mr. Jones

FOOD FOR LIFE Ms. Satterlee

The Spring Community Dinner was a great success, featuring food cooked by our Culinary Arts Club and art by student artists. In class, students are gearing up for the Multicultural Festival by learning about food from across the globe. If you are interested in providing a dish for our Multicultural Festival, please email Ms. Satterlee.

HEALTH Mr. Jaimes

PreK and kindergarten students have been introduced to yoga and wellness to help them recognize how their bodies and feelings respond in different situations. Students have been learning ways to be safe and mindful by following directions, keeping their bodies in control, and making positive choices during group activities.

Grade 1 and 2 students have been learning about money and how it is used in everyday life. They have practiced identifying different coins and dollar bills and worked on counting money by adding and subtracting amounts. They also developed skills in solving real-life problems, such as figuring out how much money they have, how much they need and how much change they should receive.

Grade 3 and 4 students have been developing their financial literacy skills by learning how money is used in real-world situations. Students practiced identifying and comparing the value of coins and bills, as well as accurately counting money by adding and subtracting multi-step amounts. They also applied these skills to solve more complex, real-life scenarios, such as determining total costs, calculating change and making thoughtful decisions about spending.

GET INVOLVED TODAY!

HHA's Multicultural Festival is on Thursday, May 28th

5:30 pm -7:00 pm

Sign up today to share a dish, activity, or performance!

Volunteers are also needed!

Scan below or visit bit.ly/hhamcnight to sign up!

Explore, Excel, Engage Enrichment

Grade 5 and 6 students have been exploring financial literacy and how money management impacts their daily lives and future goals. Students examined different ways to pay for goods and services, including cash, debit and credit, and analyzed how each method works. They also practiced distinguishing between needs and wants, developing basic budgeting skills, and making informed financial decisions through real-world scenarios.

Grade 7 and 8 students have been learning about mental health and the importance of understanding their thoughts and feelings. Students explored different ways to manage emotions, cope with stress, and respond to challenges in healthy ways. They also practiced identifying trusted adults and strategies they can use to seek support when needed.

INSTRUMENTAL MUSIC Ms. Alexander

The month of April has been an exciting time for students in HHA's instrumental music program. Grade 4 -8 students performed in full orchestra, band, percussion, guitar and small chamber ensembles at the Spring Concert on Thursday, April 23rd. Congratulations to all of our instrumental music students for their hard work and diligence in lessons. During the month of May, students will apply principles and concepts covered throughout the school year towards new and popular tunes on their instruments.

A memorable evening of music and talent as students took to the stage to showcase their skills

music students have been hard at work exploring the power of music as a form of storytelling and self-expression. Grade 6 students are diving into the world of songwriters, learning how artists turn personal experiences, emotions, and world events into music. Through listening, discussion, and creative activities, students are discovering what inspires songwriters and are beginning to think like composers themselves. Grade 8 students are taking a more personal approach as they create their HHA Memory Books. Each student is reflecting on their years at HHA by pairing meaningful memories with songs that capture those moments. From early elementary experiences to their final year, students are using music to tell the story their journey and celebrate their time at our school. Everyone is so proud of the creativity, thoughtfulness and growth our students are showing through these projects!

LIBRARY

Ms. Kannam and Ms. Geleta

A big thank you goes out to the entire HHA school community for making the Scholastic Book Fair such a huge success! It was wonderful to see so many families and students excited about finding new books to read. Because of this incredible support, the fair earned a great profit that will go directly toward improving the school library. These funds will help buy new books and resources for all students to enjoy. Stay tuned for the final numbers, which will be shared with the community shortly!

PHYSICAL EDUCATION Mr. Edwards

PreK – 2nd grade students will complete kids' cardio workouts and play team building games with hula hoops and parachutes. Grade 3 - 5 students will be introduced to team handball and other attack and defend games, and the middle school athletes will play a team handball tournament.

MUSIC Ms. Barbee

The

Support Services

"Empowering students, every step of the way."

SPECIAL EDUCATION NEWS

Ms. Shaffer

In May, the world of special education observes *Better Hearing and Speech Month*, which focuses on raising awareness about communication disorders and the critical role that speech-language pathologists (SLPs) play in supporting students with speech, language and hearing challenges. This

month highlights the importance of early diagnosis and intervention, as well as the need for tailored services to help students develop effective communication skills. Schools often use this time to promote resources, education, and advocacy efforts aimed at ensuring students with communication disorders have the support they need to succeed academically and socially. It's a reminder of the vital connection between communication and overall academic achievement.

Students in grades 1 - 4 have been highly engaged in research on a topic of personal interest. Throughout April, students learned to craft good study questions and learned age-appropriate ways of taking notes, and are now ready to share their learning. Grade 1 students are creating an All About book on a topic of their choice, and grade 2 students are putting their research to work by creating guidebooks, stories, models and posters to share what they've learned. Grades 3 and 4 students are using their newfound knowledge to create recipe books, podcasts, videos, lesson plans, models and more.

GIFTED AND ADVANCED LEARNING

Ms. Guitian and Ms. Smith

A small group of grade 5 students have elected to participate in a unit called *Jury Trials in the Classroom*. This unit of study is designed to teach students about our judicial system by preparing for and performing in a mock criminal trial. These "legal students" are working on analyzing witness affidavits and developing scripts to prepare for direct and cross examinations of witnesses. Students will perform their mock trial in June.

Kindergarten GAL students have been having a blast exploring shapes in space, learning to classify 2D and 3D shapes, building a model and discussing the attributes of these shapes

ELD NEWS

Ms. Berlin, Ms. Hicks,
Ms. Brezenoff, Mr. LaBarr,
Ms. Hyatt and Ms. Duran

PreK and Kindergarten – Ms. Berlin: Students have been incredibly busy and are making wonderful strides in their language development! They are having so much fun exploring the world of literacy by practicing letter sounds and building strong foundational speaking skills, such as using complete sentences to share their ideas. In math, the children are working on counting and learning how to use ordinal numbers to describe positions in a sequence. It is a joy to see their confidence grow as they engage in these new challenges with such enthusiasm and bright smiles. Everyone is so proud of the dedication and hard work these young learners bring to the classroom every single day!

Grade 1 and 2 – Ms. Hicks: Grade 1 students are working in a new unit entitled *Everyone Needs a Home*. They are learning about children and the place they call home. Ask your child for one thing that makes their home a special place. Grade 2 students are learning in a fun science unit. They are learning all about the water cycle. Ask your child if we drink the same water that dinosaurs did.

Support Services

"Empowering students, every step of the way."

Grade 3 and 4 – Ms. Brezenoff: Grade 3 and 4 students are strengthening their English skills through a variety of engaging activities. Students practice thinking about language in different ways; for example, reading an answer and figuring out what question would lead to that response. They also build descriptive language by studying two similar pictures, identifying the differences, and using compound sentences to clearly explain their observations. In another favorite activity, students work together to build complete sentences, taking turns to accurately say each part. These collaborative experiences help students grow more confident and versatile in their English while learning that working as a team can be both fun and highly effective.

Grade 5 and 6 – Mr. LaBarr: Grade 5 and 6 students are currently taking the WIDA MODEL test to determine whether they are meeting their goals in English language proficiency.

Grade 7 and 8 – Ms. Hyatt: Grade 7 and 8 students are currently completing the spring WIDA MODEL testing in the domains of Speaking, Listening, Reading and Writing to determine their growth from fall.

Restorative Practices

New Restorative Practices Ambassadors

In June, 12 of our Restorative Practices Ambassadors will graduate from HHA and prepare to move on to high school. This group of 8th grade students led breathing for over 1,200 students, hosted new student socials, and participated in numerous panel discussions with visitors to HHA during their tenure. They've also helped resolve many conflicts over the years by using their peer mediation skills. Every student and teacher whose life they touched will truly miss them. There is a collective hope that they will continue leading, teaching, and inspiring others at their new schools. The next cohort of ambassadors has been selected, and the training process is well underway.

Thank you to the following students for the time they devoted to Restorative Practices: Archer Daniels, Azran Zelic, Carlos González-García, Calvin Burger, CeCe Couteau, Diego Andino Urbina, Jack Teresi, Juan Jiménez-Reyes, Julian Candia-Garcia, Julius Hampton-Glunde, Kolter Ruano-Pavia and Zoe Naasz. Congratulations to the new Restorative Practices Ambassadors: Douglas Gomez-Buezo (7th grade), Ariel Brennan (6th grade), Ashley Aleman-Cruz (6th grade), Jayden Judkins (6th grade), Sead Zelic (5th grade), Quinn Naasz (5th grade), Josep Ramírez Flores (5th grade), Andony Ambrocio (5th grade), Isaiah Obeng (5th grade), Philip Osteen (4th grade) and Nursel Bektas (4th grade).

Douglas Gomez-Buezo joins rising 8th grade ambassadors Huxley Baloh, Liliane Chabot, Samantha Perlman, Maya Kwava Finell, Felix Almazo, Kolby Cawthon, and Kieran Hayes; the new rising 7th grade ambassadors join the current team of Jack McCartney, Pedro Almazo, Grayson Ho, Cooper Dach, and Niko Mathioudakis; the two new rising 5th grade ambassadors Nursel Bektas and Philip Osteen join rising 5th grade ambassadors Penny Urquhart and Caleb Heaney; and finally, a huge shout-out to our elementary grade breathers Ryan Lohrman, Cooper Rosenberger, Morgan Lloyd, Josiah Braxton, Jack Juknevicius, and Mia Rivas Duran for leading breathing in our middle school classrooms this year.

Restorative Practices Ambassadors lead students through flower and humming bee breathing

Restorative Practices

Peer Mediation Summit

On Tuesday, March 24th, 11 of the new ambassadors attended the 3rd Annual Peer Mediation Summit at the University of Maryland's School of Social Work. The summit brings together ambassadors from other schools within the Baltimore Curriculum Project charter school network for a day of networking and learning conflict resolution skills. Mindfulness Retreat, April 17, 2026

Mindfulness Training

On Friday, April 17th, fifteen of the new ambassadors participated in a mindfulness training facilitated by Yoga in Communities and Schools founder Emily Fleming. Emily has partnered with our school on mindfulness and yoga training sessions over the past eight years, and her mindfulness retreat is one of the training requirements for the Breathing Ambassador team. The training covered the benefits and mechanics of diaphragmatic breathing, mindfulness and yoga. Through practice teaching rounds, ambassadors had an opportunity to lead one another through common breaths used during the morning guided breathing.

Student Activities

Multilingual Study Club

The Multilingual Study Club has become a vibrant space where students are making fantastic progress while building lasting friendships. Each session is filled with energy as students dive into their math and language homework, sharpen their reading skills, and engage in educational games designed to boost English proficiency in a fun way. Club coordinators are especially grateful for the dedicated middle school volunteers, whose encouragement and positive examples make a world of difference for the younger learners. It is heartwarming to watch these relationships grow as everyone works together toward their academic goals. There is great pride in the hard work and community spirit the students and volunteers show every week!

Science Olympiad

Declan proudly displays his 3rd place medal

Science Olympiad had its State Tournament at Johns Hopkins University on Saturday, April 11th. Students enjoyed a beautiful day running from event to event. After many test runs and the occasional electrical mishap, Declan Coleman took home 3rd place in the Hovercraft event. Everyone looks forward to next year, when the students hope to continue expanding their STEM experience!

Girls' Middle School Volleyball Team

HHA Girls' Middle School Volleyball team is doing a great job as a team working together. They had an outstanding performance against Crossroads, dominating the match by winning three out of four sets. They also dominated Holabird Academy by winning all three sets that were played. Can't wait to see what the remainder of the season has in store for them!

HHA Basketball Season

HHA experienced an electric basketball season this year as the community officially broke in the brand-new Newstead Gym with packed stands and incredible school spirit. The boys' team put up a dominant 7-1 record, showing true grit throughout the season. Despite playing like champions every night, they narrowly missed a playoff berth due to a coin toss. The squad was led by a stellar group of 8th grade players: Will Wycall, Jack Teresi, Ben Donahue, Braydon Johnson, Juan Jimenez Reyes, Damazi Dopkowski, Andy Wycall, Treme Cannizzaro and Cameron Nicholson. Meanwhile, the girls' team displayed unwavering heart and resilience all season long, finishing with a 2 - 6 record. Their efforts were anchored by the leadership of 8th grade players Tamera Collins, Melanie Barker, Quinn Schiffer, Karmen Bradford and Cece Couteau.

A massive thank you goes to Coach Pratta, Coach Jenn and Coach Roberts for their mentorship. Additionally, Coach Edwards, Mr. Lee, Mr. Ball and Mr. Jaimes deserve a special shout-out for their tireless work coordinating crowds and keeping the new facility pristine after every game. It was truly a season to remember for the entire HHA community.

HHA Track and Field

The HHA Track & Field team is hitting its stride this season, showing strong growth, discipline, and teamwork across every event. The 5th grade players are competing in the Charm City League, while the middle school athletes are representing HHA in the Baltimore City League. Both groups rising to the challenge week after week. As the team heads into upcoming meets, every athlete has already recorded a personal best in time or distance, a testament to their hard work and consistency. Coaches are proud of the team's focus and resilience, and are excited to see that momentum continues to build into standout performances on the track.

Parent News

Tips from the Principal

Please help us prepare your child for upper elementary, middle school, high school, and eventually college and career by thinking about:

- practicing time management,
- making to-do lists, and
- limiting cell phone use, gaming, and screen time at home.

Time management is a challenge, especially for kids and teens. The more you talk about setting daily and short-term goals, the better. All HHA students receive an agenda book to keep track of assignments, projects, field trips, deadlines, etc. Help your child manage their agenda book but remember not to nag. If they don't have an agenda book, buy an inexpensive one at the store. **Making to-do lists** is a skill that will serve your child well and help them become independent in middle and high school. Finally, it is difficult for children to safely negotiate social media. There is too much adult content and too many emotionally fraught social media pitfalls. **Screen time** consumes more than eight hours a day for most children in America. Your child will benefit from limiting screen time, including gaming, social media and YouTube/cable tv shows and movies.

Here are some parent tips:

- **Talk about screen time with your child in advance.**
- **Help them learn to unplug.**
- **If your child plays an online game with friends, ask her/him to unplug the headphones so that you can monitor what is being said.**
- **Expect your child to play online games when you are in the room.**
- **Know who your child is playing with online.**
- **Please don't let your child sleep with their phone or another screen in their bedroom. Phones should be charged overnight in another room. Your child will sleep much better if their phone is not beeping, vibrating and lighting up all night long. Rested children get better grades.**

Thank you for helping us build strong young minds!

Busy Bees Sign Up is Now!!

If you have not already signed up for HHA's 5-week Busy Bees summer enrichment camp, come one, come all. It's low cost (need-based scholarships are available) and includes high quality fun featuring HHA teachers. Need-based scholarships are also available. Smaller groups, lots of engaging projects and activities, fun field trips and great friends are waiting. See Ms. Berlin for more information.

PLEASE JOIN US FOR
HHA'S FAMILY PICNIC

Thursday, May 7
from 4:30 - 7:00 PM
Patterson Park Annex

Bring a blanket and your picnic! We will have chalk for the little kids. Please bring lawn games for all to enjoy! We will sell a limited amount of HomeSlyce pizza (\$1 each).

Monday, May 4, 2026

to

Friday, May 8, 2026

HHA
HAMPSTEAD HILL ACADEMY
**BUSY BEES
SUMMER CAMP**

**June 29th to July 31st
8:00 AM to 12:00 PM**

Students entering kindergarten through 5th grade are eligible to enroll in our summer camp full of fun, friends, and adventure! Breakfast, lunch, and field trips included.

Your cost is just \$500 for the full 5 weeks with a \$100 discount for each sibling enrolled.

Aftercare available from 12:00pm-3:30pm Monday-Friday for an additional \$500 for the full five weeks.

To Register: *Full payment for all five weeks is required by June 1st. Partial attendance does not qualify for a reduced rate or refund. See registration link to inquire about need based scholarships.

Family Picnic in the Park

Our Annual Family Picnic in the Park is Thursday, May 7th from 4:30-6:30 pm. It will take place over in the "little" park east of Linwood Avenue. There will be food, games, facepainting, and tons of fun. Stay tuned for details. Come one, come all!

Happy **Teacher Appreciation WEEK**

Community Involvement

Birding Tour

Saturday, May 30th, 8 - 9:30 am in the morning; Meet at the southern end of Boat Lake in Patterson Park. This event is led by Audubon and the Baltimore Bird Club. It is free for all ages! Registration is preferred at the following link: <https://www.audubon.org/events?state=Maryland>. Please register at least 72 hours in advance to borrow binoculars.

Canton Community Association & Bloom Box Spring Fundraiser

The Canton Community Association is pleased to announce the 2026 Spring Fundraiser in partnership with **BloomBox**! BloomBox is a local online garden center that sells perennials, planted containers, shrubs, trees, bagged soil and mulch, herbs and veggies, hanging baskets, and more. Order online, then your items will be delivered by hand, right to your home. BloomBox will donate 15% of your purchase amount directly to CCA. What a great way to support a local business and the CCA!

Here's how you can participate:

- 1: Visit www.getblooming.com on your computer or cell phone
- 2: Shop for perennials, hanging baskets, herbs, and more, add them to your shopping cart and head to the checkout page
- 3: On the checkout page, you need to enter our unique code CantonCA15 into the 'fundraising code' box. Attached to this email are screenshots of where to enter this code.
- 4: After you order, BloomBox will hand-deliver your purchase directly to your home within 3 to 5 business days. It's that easy.

This fundraising event runs through May 15, 2026, during which time you can order as many times as you like. Head over to www.getblooming.com to place your order.

Canton Community Association

The Canton Community Association will hold a public community meeting on Tuesday, May 19th, from 6:30 – 8 pm. Join us in person at the United Evangelical Church at 3200 Dillon Street (enter via East Ave.) or watch online on the CCA Facebook page. Canton Community Association news will be announced and questions answered. Board members and local contributors will be there as well. Agenda items will be posted in the event Discussion before each meeting. Come early to mingle and [#GetNeighborly](https://twitter.com/GetNeighborly). Light refreshments will be available.

To better serve the needs of the community, the organizers invite residents to share their thoughts in advance so they can properly prepare. Questions for the meeting may be submitted via email to info@cantoncommunity.org
Upcoming Meetings: Wednesday, September 16th and Tuesday, November 17th To join the CCA, visit www.cantoncommunity.org/join-us.

Kids Rock Painting Party at Dypski Park

Join the Canton Community Association (CCA) for a fun morning of creativity at Dypski Park. Kids can decorate rocks using colorful paint markers and take their creations home or leave them around the neighborhood to brighten someone's day. The event is FREE, but please RSVP in advance if you can to help us get a head count. Saturday, May 9, 2026 - 10 am – Noon - Dypski Park, 1213 S. Ellwood Avenue. Materials will be provided. Just bring your imagination! Best for kids ages 3–12. Children 12 and under must be accompanied by an adult.

<https://www.facebook.com/events/965987762558113/>

PRESENTED BY

Canton Community Association proudly presents our 2026

SPRING FUNDRAISER

April 15th- May 15th getblooming.com

- Visit www.getblooming.com to shop all your favorite spring plants & flowers.
- Place your order with BloomBox online and they'll deliver to your door in 3 days.
- BloomBox will donate 15% of your order directly to us!

USE OUR UNIQUE CODE
CantonCA15

*On Sunday, April 26th, several HHA grade 6 students helped clean up the local Canton Waterfront Park as part of the 2026 Earth Day. They collected trash, built community, and made the park more beautiful and welcoming for residents and visitors.
Way to go, HHA students!*

Hampstead Hill Academy

KINDERGARTEN PLACEMENT ASSESSMENT DAYS!

July 9th & July 21st

All incoming kindergarteners must be assessed before the school year begins. This helps us organize classes with minimal changes. Appointments are 20 minutes long. If your child is in FFG or Busy Bees, an appointment is still needed, but no parent attendance is required. Be sure to let us know if your child will attend FFG or Busy Bees during the appointment time.

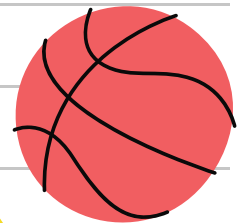

Once your child is fully registered for kindergarten, you can schedule an appointment by contacting Katie Johnson at kjohnson@hha47.org or by calling the main office at 410-396-9146.

Schedule your appointment today!

For more information please contact:

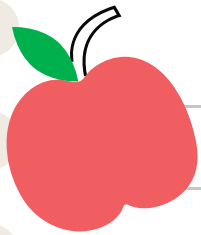

Katie Johnson at kjohnson@hha47.org

Hampstead Hill Academy: 410-396-9146

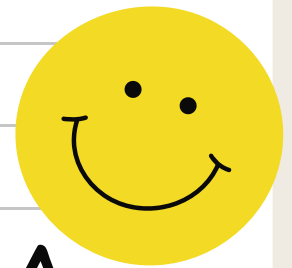

If you are unable to attend an assessment day, your child will be placed into a temporary homeroom until the assessment can take place during the first week of school.

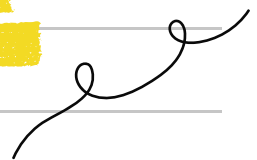

Hampstead Hill Academy

DÍAS DE EVALUACIÓN DE LA UBICACIÓN EN EL JARDÍN DE INFANCIA

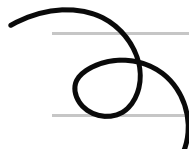

Julio 9th & Julio 21st

Todos los alumnos que ingresan a kinder deben ser evaluados antes del inicio del año escolar. Esto nos ayuda a organizar las clases con mínimos cambios. Las citas duran 20 minutos. Si su hijo/a asiste a FFG o Busy Bees, aún necesita una cita, pero no es necesaria la asistencia de los padres. Asegúrese de informarnos si su hijo/a asistirá a FFG o Busy Bees durante el horario de la cita.

Una vez que su hijo/a esté inscrito/a en kinder, puede programar una cita contactando a Katie Johnson en kjohnson@hha47.org o llamando a la oficina principal al 410-396-9146.

¡Programe su cita hoy mismo!

Para más información, póngase en contacto con

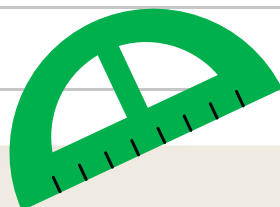

Katie Johnson at kjohnson@hha47.org

Hampstead Hill Academy: 410-396-9146

Si no puede asistir a una jornada de evaluación, se asignará a su hijo a un aula temporal hasta que pueda realizarse la evaluación durante la primera semana de clase.

PTO APRIL UPDATES

Wow! What an Incredible month! Thank you to everyone for your support. Whether you volunteered for any of our events, bought our special edition t-shirts, or simply showed up to help make Mission: B3 a huge success, we appreciate you!

We finished the month with our Elementary Spring Dance which brought lots of joy to our littlest learners. Before that, the month was filled with all things B3, from planning, to crafting, to partying, every step was a lot of fun.

We're looking forward to celebrating our teachers and staff next week and to our final Family Social of the year. We hope you will join us!

MISSION: B3 COMPLETE

Special thank you to our B3 Comittee:

Katie Stewart
Angel Connolly
Rebecca Hall
Caroline Mason
Sam LaBelle
Adam Kutcher
Jenn Granholm
Katie Vincent
Neil Cotherman
Carrie Mittenthal

Jodi Naasz
Shelly Bohlen
Shannon Campbell
Jess Schoonmaker
Elizabeth Nguyen
Rob Ankenbrand
Marta Orellana
Crescenciana Leon
Lydia Obeng

PTO ABRIL

¡Guau! ¡Qué mes tan increíble! Gracias a todos por su apoyo. Ya sea que hayan sido voluntarios en alguno de nuestros eventos, comprado nuestras camisetas de edición especial o simplemente asistido para ayudar a que Misión: B3 fuera un gran éxito, ¡se los agradecemos mucho!

Terminamos el mes con nuestro Baile de Primavera de Primaria, que trajo mucha alegría a nuestros estudiantes más pequeños. Antes de eso, el mes estuvo lleno de todo lo relacionado con B3: desde la planificación, hasta la creación y la celebración; ¡cada paso fue muy divertido!

Estamos deseando celebrar a nuestros maestros y personal la próxima semana, así como nuestro último Evento Social Familiar del año. ¡Esperamos que puedan acompañarnos!

MISIÓN B3: ¡COMPLETADA!

Un agradecimiento especial a nuestro Comité de B3:

Katie Stewart
Angel Connolly
Rebecca Hall
Caroline Mason
Sam LaBelle
Adam Kutcher
Jenn Granholm
Katie Vincent
Neil Cotherman
Carrie Mittenenthal

Jodi Naasz

SUMMER CAMP

CULTURAL CURIOSITY AT CREATIVE ALLIANCE

*At Creative Alliance Creativity Center we cook, dance, and make art together.
We connect with nature in our third classroom, beautiful Patterson Park.*

AGES 7-11

Campers begin their day with yoga and mindfulness practice in Patterson Park. They'll create piñatas, puppets, and animal stuffies. We'll go swimming at Patterson Park pool, cool off watching a movie in our theater, and cook with our Artesanas.

The last week of camp we have a field trip to Rocky Point Beach!

CAMP SCHEDULE

8:30-9:00 Extended Care

9:00-9:20 Morning Snack

9:30-10:30 Yoga & Mindfulness in Patterson Park (4 days a week) and Cooking

10:30-11:05 Field games in Patterson Park

11:15-11:45 Lunch

12:00-1:45 Enrichment (3 days a week) Movie and Swimming

1:45-2:00 Clean up

2:00-4:30 Extended care

JUL 6-AUG 7 | 5 WEEKS | MON-FRI | AGES 7-11

9:00-2:00 | WEEKLY \$370

8:30-4:30 | WEEKLY WITH EXTENDED CARE \$430

LIMITED SPACE AVAILABLE

Adults/Adultos

Digital Drop-In Clinic

Tuesdays & Thursdays, 2:00 – 4:00 p.m.
Monday, May 18, 5:30 – 7:30 p.m.

Wondering how to get library materials such as eBooks and audiobooks onto your tablet? Need help figuring out email, social media, or other features of your computer? Trying to connect devices to a network, Bluetooth, or the cloud? Our Digital Drop-In Clinic is open for any and all technology questions, where we'll do our best to assist you in a relaxed, low-stress environment. Note: We cannot fix broken equipment or devices.

Town Hall Meeting with the CEO

Saturday, May 2, 11:00 a.m.

Meet Pratt Library President & CEO Chad Helton during a Town Hall Meeting with the CEO. Share what you love about your Library and what the Pratt can do to make your library welcoming to all. This event is part of a series of town hall meetings at all Pratt Library locations. Light refreshments will be provided.

Lawyer in the Library: Immigration Information

Wednesdays, May 6 & 20, June 3 & 17
11:00 a.m. – 2:00 p.m.

Legal practitioners from Just Neighbors and World Relief will be available to speak with individuals seeking information on immigration-related matters. Practitioners can provide general information on basic immigration-related inquiries, distribute informational materials, provide referrals, and more. Services will be available in Spanish.

BYOB (Bring Your Own Book) Club

Wednesdays, May 6 & June 3, 5:00 p.m.

Our Bring Your Own Book (BYOB) Club does not have a set list. Instead, we invite you to read what you want and then come to our monthly meetings and tell us about it, be it book, blog, or magazine article. So, join us every first Wednesday to share what you're reading and get some reading recommendations from your neighbors.

CRAFTernoon

Thursdays, May 7 & June 11, 1:00 – 3:00 p.m.

Let's get creative! Relax for an afternoon of fun with a variety of craft supplies and a special project each month. Materials will be provided for this open, self-directed program. Supplies for special projects may be limited; first come, first served.

May: Chigiri-e (Japanese collage paper craft)

June: 3D Paper Butterflies & Summer Break Bookmarks

Upcycling Book Craft

Thursday, May 7, 5:00 p.m.

Join us for a creative upcycling craft program where you'll transform old books into beautiful and creative crafts, using discarded library books.

Clínica Digital Sin Cita Previa

Los martes y jueves, 2:00 – 4:00 p.m.
lunes, 18 de mayo, 5:30 – 7:30 p.m.

Nuestra Clínica Digital está abierta para todas las preguntas acerca de la tecnología, y haremos nuestro mayor esfuerzo para asistirle en un ambiente relajado. Aprenda a pedir a préstamo materiales de la biblioteca, como libros digitales y audiolibros directamente a su tableta. Aprenda a utilizar su correo electrónico, redes sociales, u otras aplicaciones de su computadora. Anotación: No se arreglan equipos ni dispositivos dañados.

Reunión con el CEO

sábado, 2 de mayo, 11:00 a.m.

Conoce al presidente y CEO Chad Helton durante esta reunión. Comparte lo que le gusta de su biblioteca y que podemos hacer para que la biblioteca sea un sitio para todos. Este evento es parte de una serie de reuniones en todas las sucursales de la biblioteca Pratt.

Abogado en la Biblioteca:

Información sobre la Inmigración

miércoles, 6 y 20 de mayo, 3 y 17 de junio
11:00 a.m. – 2:00 p.m.

Profesionales de la ley de inmigración de las organizaciones Just Neighbors y World Relief estarán disponibles para hablar con personas buscando información sobre la inmigración. Los profesionales presentarán información general relacionada a la inmigración, distribuirán panfletos, asistirán con referencias legales, y más. Los servicios estarán disponibles en español.

Traiga Su Propio Libro (BYOB Club)

miércoles, 6 de mayo y 3 de junio, 5:00 p.m.

Este club de lectura no tiene un libro oficial. Los invitamos a que vengan a la Biblioteca cada mes y nos cuenten sobre el libro que hayan leído recientemente. Acompáñenos el primer miércoles de cada mes para compartir y recibir recomendaciones sobre libros.

Tarde de Manualidades

jueves, 7 de mayo y 11 de junio, 1:00 – 3:00 p.m.

Relájese por una tarde con una variedad de manualidades y un proyecto especial cada mes. Materiales serán provistos para este programa, pero materiales para los proyectos especiales serán disponibles hasta agotar existencia.

mayo: Chigiri-e (manualidad japonesa de papel)

junio: Mariposas de papel 3D y marcapáginas de Summer Break

Manualidades de Libros Reciclados

jueves, 7 de mayo, 5:00 p.m.

Acompáñanos para una tarde de manualidades utilizando libros reciclados.

Teens/Adolescentes

Free Comic Book Day

Saturday, May 2, 1:00 – 2:30 p.m.

It's the biggest celebration in the comic book world, and you're invited! Join us for Free Comic Book Day at the Southeast Anchor Library! Free comics and crafts will be available on a first-come, first-serve basis. Staff will lead the program in English and Spanish.

DIY Spa Bath Bombs

Thursday, May 7, 3:30 p.m.

Learn how to make a bath bomb for yourself or someone you are grateful for! It's the perfect item to help with relaxing after a long day. All supplies will be provided, and staff will lead the activity in English and Spanish.

Monthly Teen Makerspace

Thursday, May 14, 3:30 p.m.

Join our art space to create a themed craft, or just to let your imagination run free! All supplies will be provided, and staff will lead the activity in English and Spanish. May's theme is Mindful Art.

Pet Rocks and Portraits

Thursday, May 21, 3:30 p.m.

Meow, woof, hissss — it's National Pet Month! Join us to paint a portrait of your animal friend or adopt a new "pet" rock to decorate and take home with you. All supplies will be provided, and staff will lead the activity in English and Spanish.

Video Game Party with GameTruck

Thursday, June 4, 3:00 – 4:30 p.m.

Join GameTruck and play in our video game party! We will have a Nintendo Switch and Playstation and a variety of games.

Build your own Flag

Thursday, June 11, 3:30 p.m.

Let's celebrate Pride Month! We'll use perler beads to create the flag that represents you. All supplies will be provided, and staff will lead the activity in English and Spanish.

Decorate a Reusable Water Bottle

Thursday, June 18, 3:30 p.m.

Let's get creative and decorate reusable water bottles! Make one for yourself or for someone who's been there for you. It's a fun way to show gratitude and add your personal touch to something useful and eco-friendly. All supplies will be provided, and Library staff will lead the activity in English and Spanish.

Día del Comic Gratis

sábado, 2 de mayo, 1:00 – 2:30 p.m.

¡Celebra el evento más grande en el mundo de los comics! ¡Vengan al Día del Cómic Gratis en Southeast Anchor Library! Comics y actividades gratuitas estarán disponibles hasta que se acaben los materiales. Las bibliotecarias presentarán la actividad en inglés y español.

Bomba de Baño

jueves, 7 de mayo, 3:30 p.m.

¿Estás buscando un regalo? ¿Qué mejor que crearlo tú mismo? ¡Aprende a hacer una bomba de baño! Es el regalo perfecto para relajarte o darle a alguien al que quieras agradecer. Se proveen todos los materiales y las bibliotecarias presentarán la actividad en inglés y español.

Espacio Creativo para Adolescentes

jueves, 14 de mayo, 3:30 p.m.

Vengan a nuestro espacio creativo para crear una artesanía temática o ¡dejar que la imaginación corra! Se proveen todos los materiales y las bibliotecarias presentarán la actividad en inglés y español. El tema de mayo es arte consciente

Mascotas Rocas y Retratos de Mascotas

jueves, 21 de mayo, 3:30 p.m.

Miau, guau, ssssh... ¡es el mes de las mascotas! Ven a pintar un retrato de tu amigo animal o decora y adopta una "mascota" roca para llevar a casa. Se proveen todos los materiales y las bibliotecarias presentarán la actividad en inglés y español.

Fiesta de Video Juegos con GameTruck

jueves, 4 de junio, 3:00 – 4:30 p.m.

¡Participe en nuestra fiesta de video juegos con GameTruck! Tendremos Nintendo Switch y Playstation y una variedad de juegos.

Crea una Bandera

jueves, 11 de junio, 3:30 p.m.

¡Ven a celebrar el mes del orgullo! Utilizando cuentas para planchar crea tu propia bandera que te represente. Se proveen todos los materiales y la bibliotecaria presentará la actividad en inglés y español.

Decora una Botella de Agua Reutilizable

jueves, 18 de junio, 3:30 p.m.

¡Vamos a ponernos creativos y a decorar botellas de agua reutilizables! Haz una para ti o para alguien que siempre ha estado ahí para ti. Es una forma divertida de mostrar agradecimiento y de darle tu estilo personal a algo útil y ecológico. Se proveerán todos los materiales, y el personal de la biblioteca dirigirá la actividad en inglés y en español.

Children & Family/Niños Y Familias

Baby & Toddler Storytime

Tuesdays, 11:00 a.m.

Tuesday, May 12, 12:00 p.m.

Stories, movement, play, and songs for babies in arms and toddlers together. Come early for playtime. For little ones under two with a favorite adult. All abilities welcome.

Family Storytime

Thursdays, 11:00 a.m.

Stories, movement, songs, and our most fun activities. Come ready to move, laugh, and learn together. For families with children ages 2 – 5. All abilities welcome.

Asian American Pacific Islander Month: Who's Who

Tuesdays, May 5 – 26, 4:00 p.m.

Test your knowledge and sleuthing skills every Tuesday in May, with an AAPI who's who.

Make It Arty Wednesdays: Tape It, Paint It

Wednesdays, May 6 – 27, 4:00 p.m.

Every Wednesday in May, unleash your creativity by crafting a unique piece of artwork using tape.

Make Decorative Leaf Paintings

Monday, June 15, 2:00 p.m.

Celebrate creativity and the beauty of nature. In this hands-on program, children will explore ways to make art using leaves and paint. Inspired by the colors and patterns found in nature, participants will transform simple leaf shapes into unique works of art that they can proudly take home.

Black Music Month BINGO

Wednesday, June 17, 1:00 p.m.

Jam out to popular tunes and get BINGO!

Craft a Rainbow

Wednesday, June 24, 1:00 p.m.

Let your colors fly and create a craft with rainbow colors.

Let's Make Paper!

Monday, June 29, 2:00 p.m.

Explore the art of paper crafting! Kids will use their imaginations to create unique papers from recycled materials. This hands-on program encourages creativity and self-expression in a relaxed, welcoming environment. All materials will be provided — just bring your creativity and get ready to make something amazing!

Canciones y Cuentos para Pequeñitos

Los martes, 11:00 a.m.

martes, 12 de mayo, 12:00 p.m.

Cuentos, movimientos, juegos y canciones para bebés en brazos y niños pequeños. Llegue temprano o quédese después para jugar. Para niños menores de dos años con un adulto favorito. Todas las habilidades son bienvenidas.

Cuentos para Familias

Los jueves, 11:00 a.m.

Cuentos, movimiento, canciones, y rimas en inglés y español. Lleguen listos para moverse y divertirse juntos. Para familias con niños de edades 2 – 5. Todas las habilidades son bienvenidas.

¿Quién Es? El Mes de Herencia de Asiático-americano y Nativo de la Polinesia

martes, 5 – 26 de mayo, 4:00 p.m.

Pon a prueba tu sabiduría cada martes en mayo para celebrar el mes de herencia de asiático-americano y nativo de la Polinesia.

Miércoles de Arte: Cinta y Pintura

miércoles, 6 – 27 de mayo, 4:00 p.m.

Cada miércoles durante el mes de mayo, crea una obra de arte usando cinta.

Pinturas Decorativas de Hojas

lunes, 15 de junio, 2:00 p.m.

Celebra la creatividad y la belleza de la naturaleza. Durante este programa, niños explorarán maneras diferentes de crear arte con hojas y pintura.

BINGO del Mes de Música Negra

miércoles, 17 de junio, 1:00 p.m.

Juega Bingo mientras escuchas música popular.

Crea un Arcoíris

miércoles, 24 de junio, 1:00 p.m.

Disfrute de una manualidad usando todos los colores del arcoíris.

¡Vamos a Hacer Papel!

lunes, 29 de junio, 2:00 p.m.

¡Explora el arte de crear papel! Los niños usarán sus imaginations para crear papeles únicos de materiales reciclados.

VOLUNTEER OPPORTUNITIES

Looking for volunteer hours? Or just something fun to do in your community? Come to Patterson Park!

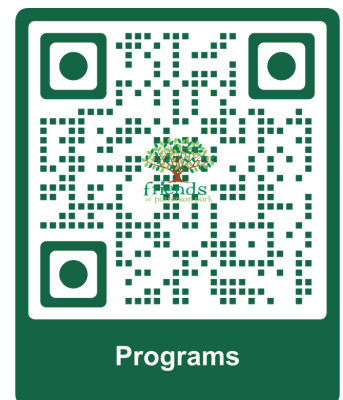

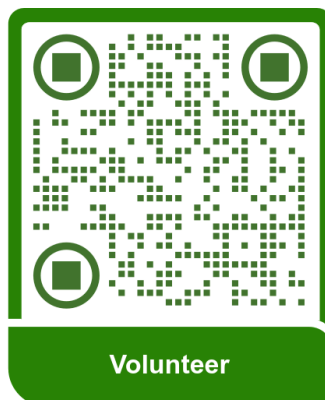

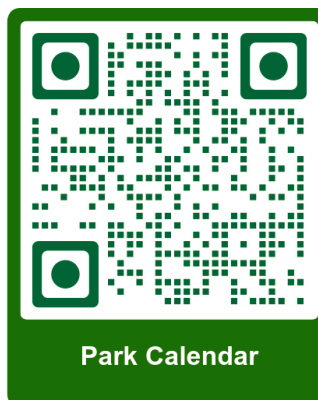

PARK STEWARDSHIP VOLUNTEERS

Once each month, we need volunteers to help with:

- Cleaning the Park Observatory and area around it
- Caring for young trees (and sometimes planting)
- Cleaning the lake and surrounding areas
- Gardening
- Widening and “edging out” pathways

EVENT VOLUNTEERS

We need help putting on our annual community events like Día del Niño, Mueveton, Summer Concerts, the Great Baltimore Lantern Parade, Winter Lights and more!
